

**Top Power cut** is comfortable and precise

**Durable** all-metal body

**High-visibility color**

**Ergonomic handle** provides for comfort in all cutting positions

**Side cut** optimum box top cutting position, right and left handed

**Uses SP-017 safety blades**, for smoother, efficient cutting through all packaging materials, and prevents puncture wounds. Or use the **thicker SP-025** for general utility cutting

**Quick blade change knob** means blade change in seconds

**One piece design** pivots open to change blades, means no parts to lose
